

Dear Biddick Foundation,

On behalf of the eighth grade class of Belmont, I would like to thank you for your generous contribution to send my class to Trees For Tomorrow. It was the best thing I have ever done. One of my favorite things about it was the outdoors, the nature, and the wild life. A couple of things I learned was how to use a compass, how to use a GPS, and how to identify trees. It was an excellent experience and I'm glad my class and I got to enjoy it. Thank you again so much.

Sincerely,
Paigel Biggs
