On behalf of the Board of Directors of the Community Leadership Alliance of Southwest Wisconsin, I would like to sincerely thank you for your generous support of our leadership development program.

The Elmer G. Biddick Charitable Foundation's sponsorship of the Strength Finder 2.0 books will ensure a high-quality educational experience for our participants for the next 2 years! Strength Finder 2.0 guides leaders to focus on their talents and gives practical strategies for applying these strengths to change the way you look at yourself -- and the world around you.

The Community Leadership Alliance Board is committed to keeping tuition affordable to allow as many people as possible to participate. Your sponsorship of educational materials allows us to continue to offer scholarships to individuals who might otherwise not be able to afford the program. We are so grateful for your continued contributions!

This year we have 33 excited leaders in the class. Evaluations after the first session were remarkably high! Thank you for allowing us to continue to provide an enlightening and worthwhile leadership development opportunity for citizens in Southwest Wisconsin.

Your continued support of the Community Leadership Alliance program ensures its ongoing success.

Sincerely,

Julie
