Livingston, WI 53554

11-16-12

Greetings Everyone,

The Livingston Community Improvement Corporation (LCIC) would like to continue to assist Livingston area families that are experiencing difficult times by providing food and basic necessities for their families.

This year the LCIC will again be working with the Livingston Free Methodist Church to fund a food pantry located at the church. The pantry will be stocked with a limited amount of emergency food supplies. The LCIC will also be issuing cash vouchers for perishable food items and emergency gas purchases. Both emergency food and gas vouchers will be redeemable at The Friendly Place on Highway 80 in Livingston. For more information about the food pantry or to obtain vouchers, please contact Pastor Greg Marsh at 608-943-6244.

Last year, we received very generous donations from Queen B radio station and The Biddick Foundation and were able to collect over \$1,000.00 from community members. As a result, the LCIC was able to issue (50) \$20 food vouchers, supported 43 visits to the food pantry, and issued (58) \$20 gas vouchers to individuals in the community. We would like to say "*Thank You*" to the generosity of these organizations as well as Livingston area citizens who were able to help out many area families by donating to the fund.

Again this year, we are hoping for continued support from the community to help maintain the project. Please consider making a cash donation to help us continue the LCIC Family Assistance Project. Donations can be made payable to LCIC Family Assistance Project and can be dropped off at the Livingston State Bank or mailed to: LCIC, P.O. Box 151, Livingston, WI 53554.

It could be a long hard winter and a not so joyous holiday season for families in our community without our help.

Thank You and God Bless.

*With The Good Earth All Around*
