

To the Board of the Elmer G. Biddick Foundation,
Thank you very much for your generous
contribution towards the Southwest Wisconsin
Book Festival. Your contribution will really allow
us to advertise the festival well throughout
the region - we strive to draw people to
the area and re-introduce all that is going
on within our counties. We really appreciate
your support and encouragement and intend
to utilize your contribution to the fullest extent
we can through print & radio.

Thank you,
Kristin McNeil + team
