Livingston, WI 53554

Dear Elmer G Biddick Charitable Foundation Board of Directors,

On behalf of ourselves, our Board of Directors, and our patients, we extend our sincerest thanks for your donation of \$1,000. Your donation will enable us provide tools to help breakdown language barriers for some of our patients. It will also be used to provide some nutritious snacks for our dedicated volunteers who often work at the clinic through the supper hour after coming directly from work. We know your donation will touch many lives.

We greatly appreciate your support for our efforts to provide basic health care to those who are otherwise unable to access medical care in our region.

We know that you have many worthy causes from which to choose for your support, and we are honored that you have chosen to support the Community Connections Free Clinic in this way. If you ever have any questions about the work we do here, please don't hesitate to contact one of us.

With sincere gratitude,

Cathryn Kaiser MD
Chairperson of Board of CCFC

Aaron Dunn MD
Medical Director of CCFC
