

Dear Elmer G. Biddick Charitable Foundation,

First, let me just say, thank you! Your recent support of \$1,000 means you understand just how important bringing The Missoula Children's Theatre is to the IGEMS community...

This project will benefit the children in the Iow-Grant School District by providing an amazing opportunity for them to perform on stage and gain confidence in themselves. The children will be able to act, sing and dance in a full length musical right in their own school! They will be able to perform for their parents and community members. Both young and old will have the opportunity to enjoy the theatre right here at Iow-Grant.

Please mark July 29th and 30th on your calendars! We will present a performance of "Blackbeard the Pirate" on Friday evening and one on Saturday morning. We would love for members of your committee to join us for our premier season of Missoula at IGEMS! We are hoping to make this an annual tradition at IG and are excited at the possibilities that will come about because of this program.

With tremendous gratitude,

Jennifer Rogstad
