Dear Mr. Nodolf and members of the Elmer G Biddick Charitable Foundation,

The Board of the Community Leadership Alliance would like to thank you for your generous contribution toward the 2016 and 2017 CLA scholarships for participants. As you are aware, CLA serves the community by recruiting people in the tri-county area who are open to developing their leadership skills through attending six day-long sessions. These sessions feature speakers and curriculum used to address a variety of topics specific to this region.

We're very fortunate to have generous folks like you to help sponsor individuals who would otherwise not be able to attend these meaningful programs. Thank you again for your contribution and your support of the Community Leadership Alliance program of Southwest Wisconsin.

Sincerely,

Kristin Holman-Steffel, Coordinator
Community Leadership Alliance
