Brad Biddick
Elmer G. Biddick Foundation
11623 State Road 80
Livingston WI 53554-9725

Dear Brad:

Thank you for your very generous donation of \$500.00 to the Southwest Tech Foundation for the Ag & Industry Division Development Fund. Your gift contributes to the success the Foundation has in awarding over 200 scholarships, providing housing options for 100 students, serving over 950 students with our food pantry, and supporting numerous campus and community projects each year.

The Foundation appreciates your willingness to support its mission of promoting learning through funding and activities that ensures Southwest Tech provides opportunities for success. If you wish to learn more about our scholarships, projects, and goals for the upcoming year please reach out to any member of the Foundation. My contact information is provided below.

Finally, this letter can serve as your donation receipt for tax purposes. This letter certifies that you did not receive any goods or services in exchange for your donation. Again, thank you for your donation and continued support of the Southwest Tech Foundation.

Sincerely,

Holly Clendenen
