# WISCONSIN BADGER CAMP

*"Serving Children and Adults with Developmental Disabilities For Over 45 Years"*

May 31, 2016

Elmer G. Biddick Charitable Foundation  
Brian Nodolf  
11623 State Road 80  
Livingston, WI 53554

Dear Brian,

On behalf of Wisconsin Badger Camp's Board of Directors, staff, and most importantly our campers, thank you for your generous grant of \$500 toward our Campership Program. Because of the Elmer G. Biddick Charitable Foundation we are able to achieve our mission of serving individuals with developmental disabilities by providing quality outdoor recreational experiences in a fun, challenging, and safe natural environment.

We are gearing up for the 2016 camping season and we will be serving approximately 900 adults and children with developmental disabilities at Wisconsin Badger Camp, including 65 campers from Grant and Iowa Counties. Throughout their week stay, these individuals have the chance to experience camping, hiking, swimming, fishing, dancing, and dozens of other activities that might not otherwise be available to them.

Wisconsin Badger Camp welcomes individuals to camp regardless of their age, gender, location, severity of disability, or ability to pay a camp fee. With this grant we will be able to provide financial assistance to those that could not afford to attend camp otherwise. Last year we provided the campers in Iowa and Grant Counties with \$26,725 in financial assistance. Wisconsin Badger Camp allows campers to attend camp even if they can't afford the requested \$700 campership fee.

Once again we would like to thank the Elmer G. Biddick Charitable Foundation for a \$500 grant to our Campership Program. Your continuous commitment to our campers and organization is greatly appreciated. Because of foundations like yours we are able to put smiles on faces of hundreds of campers each summer. If you are interested in visiting Wisconsin Badger Camp we would be happy to give you a tour and show you how the Elmer G. Biddick Charitable Foundation is making a difference in the lives of people in your community.

Sincerely,

Brent Bowers  
Executive Director  
WISCONSIN BADGER CAMP, Inc
