

Because Everyone Needs Some Hope!

BEN'S-HOPE

Thank you

Jaron + to those @ Biddick Inc.  
We sincerely give thanks for your support & kindness since our son Benjamin's 2014 suicide. Your generous donations have contributed to our outreach efforts to raise awareness, reduce the suicide stigma, & offer support & hope to others. We are truly grateful... We have held 3 Suicide Awareness Prevention walks since 2015 - all because God has blessed us with folks like yourselves. The first walk, we held like yourselves - you agreed & also provided a poster for handout. In 2016 you offered us a Breathe & Bungee film again for 2017. Our generous donation & again for 2017. Our decision is to help others. We know without a doubt - our mission to do what we've been called to do, would not be the impact it is -

People disregarded our efforts. We know you have a heart & interest in what we are doing. We believe others are finding hope because of the BEN'S HOPE walk & other community outreach efforts. Not sure if folks from Biddick's have participated in walk, but numbers were almost 500 first year - over 300 second year & 500 first fall we had between 600 + 500 people there. It's incredible! But God promised us from the beginning - we would find goodness in our tragedy & we know we have witnessed it's at a high cost. See so many beautiful souls that we can spare the life of our dear son, but if we can spare others the pain we've endured, that's what we pray we're doing.
