

Iowa-Grant players hold Suicide Prevention and Awareness Evening

Representing the Elmer G. Biddick Foundation are Jason and Wendy Biddick and their children Adrienne and William (pictured in the center). With them are members of the Iowa-Grant Lady Panther Basketball Team and managers.

On Friday, February 10, Iowa-Grant High School held a Suicide Prevention and Awareness Evening during their basketball game. Team members, coaches and managers were given Suicide Prevention t-shirts to wear during their warm up time, donated by the Elmer G. Biddick Foundation. These t-shirts were donated for the purpose of being a vessel of breaking down the stigma of suicide, to acknowledge that suicide is a problem in our community and to show that it is safe to talk about it in order to get the resources and help needed. Just by wearing a suicide prevention shirt, lives could be saved!

\$346.96 was raised and will be donated to the Suicide Prevention Coalition of Iowa County as they continue the fight to help all those suffering find help and support.
