To the Elmer G. Biddick Foundation

We would like to thank the Elmer G. Biddick Charitable Foundation and the Board for the Grant we received toward the new fence we are having placed at the Montfort Ballfield. It will be just in time for the Big Days Celebration we have every year the first weekend in June. It will get a lot of use by the ball teams that play during Big Days to draw people into the VFW tent. It is already being used by the youth of our area for their little league games.

We appreciate the time and organization it took to contribute to the welfare of the people in the communities.

The Montfort Village Board

Brian Nodoff,

The Village of Montfort would like to thank the Elmer G Biddick Foundation for their donation to our Village toward the purchase of the new baseball field fence. We appreciate your contribution:

Sincerely,

Christopher Schwell-Simons
