"Serving Children and Adults with Developmental Disabilities For 50 Years"

Dear Elmer G. Biddick Charitable Foundation,

On behalf of Wisconsin Badger Camp's Board of Directors, staff, and most importantly our campers, thank you for your generous grant of \$500. Because of your funding, we are able to achieve our mission of serving individuals with developmental disabilities by providing quality outdoor recreational experiences in a fun, challenging, and safe natural environment.

The 2017 camping season served 892 adults and children with developmental disabilities at Wisconsin Badger Camp. Throughout their week stay, these individuals have the chance to experience camping, hiking, swimming, fishing, dancing, and dozens of other activities that might not otherwise be available to them.

Wisconsin Badger Camp welcomes individuals to camp regardless of their age, gender, location, severity of disability, or ability to pay a camp fee. With this grant we will be able to provide financial assistance to those that could not afford to attend camp otherwise. Last year we provided our campers with over \$400,000 in financial assistance. Wisconsin Badger Camp allows campers to attend camp even if they can't afford the requested \$800 campership fee.

Once again we would like to thank you for the \$500 grant. Your commitment to our campers and organization is greatly appreciated. Because of foundations like yours we are able to put smiles on faces of hundreds of campers each summer. If you are interested in visiting Wisconsin Badger Camp we would be happy to give you a tour and show you how your funding is making a difference in peoples lives.

Sincerely,

Brent Bowers
