Dear Mr. Nodolf,

Just wanted to personally thank you and the members of the Biddick Foundation Board for your generous contribution to this year's Community Leadership Alliance program.

We have 28 participants from throughout Grant-Iowa-Lafayette counties who will directly benefit from your assistance as they develop their skills and become more effective community, business and volunteer leaders.

Our program continues to train committed individuals who will enhance the future of this region for years to come. And it's your support that helps make this happen.

On behalf of the CLA Board of Directors and the Class of 2019, thank you for your support.

James L. Schneider, Secretary  
CLA Board of directors
