Dear Brian:

Thank you for investing in Southwest Wisconsin Technical College, the #1 two-year college in Wisconsin according to bestcolleges.com. Your generous gift made on 6/12/2018 of \$1,000.00 for the 20/2020 Scholarship Fund helps Southwest Tech provide opportunities for success to our students, communities, and district.

In 2017-18, 318 student scholarships were awarded totaling \$170,389, 600 students were served in our student food pantry, and 72 students received emergency grant funding helping them through financial emergencies. Here is what students impacted by philanthropy have to say about our donors' generosity:

"Thank you so much! I am excited to receive this scholarship! I can't wait to start my schooling at Southwest Tech this fall." James Nee

"Wow! Thank you so much. This is awesome news. Such an honor 😊." Lindsey Adams

Please contact us if you would like to learn more about the 20/2020 Scholarship Fund, to visit campus, or to be connected with a student, staff member or College department. We look forward to your continued involvement with the college and Southwest Tech Foundation. Your generosity makes a difference in the lives of the 8,000 students we serve every year.

This letter can serve as your donation receipt for tax purposes. This letter certifies that you did not receive any goods or services in exchange for your donation. Thank you for believing in our mission and for making an investment in our students' future.

Sincerely,

Jason S. Wood, Ph.D.
