**Forbes Magazine ranked  
Southwest Tech as the #1  
two-year college in  
Wisconsin and the #13  
college in the Nation!**

Dear Brian:

Southwest Wisconsin Technical College's vision is to change lives by providing opportunities for success. Thanks to your gift of \$2,500.00 which was processed on 5/30/2019 for the Gas Card Project Fund, you are helping the college achieve this inspirational goal.

Southwest Tech serves more than 7,500 students each year. Your philanthropic support allows the Southwest Tech Foundation to fund scholarships, financial emergency grants, student club activities, and faculty and staff professional development. The value of a Southwest Tech education speaks for itself; more than 95% of graduates are employed within one year of graduation, and 98% of businesses are satisfied or highly satisfied with hiring our alumni.

*Emily, a 2018-19 scholarship recipient, stated that receiving a scholarship was like getting a pat on the back. The scholarship award made her feel like someone who didn't even know her believed in her enough to invest in her future. Your gift to the Southwest Tech Foundation makes a difference!*

Please reach out if you would like to learn more about the Gas Card Project Fund or to visit campus. I hope you will continue to be involved with the college and Southwest Tech Foundation.

Thank you for being a part of our success today and into the future!

Sincerely,

Holly Clendenen
