Foundation Board,

On behalf of Seniors United for Nutrition, or the SUN Program, I want to thank you for the grant of \$1000. This grant will be used to help with mileage costs for serving rural participants with home delivered meals, or Meals on Wheels, out of the Linden site; this includes someone in the Livingston area. The area covered by Linden also includes Edmond, Cobb, and the rural areas toward Mineral Point.

The mileage and stipend expenses for our program have tripled since 2016. All drivers volunteer their time and use their own vehicles. This grant is very much needed as well as appreciated. Rural residents have no other option for nutritious meals when homebound and frail.

We are very grateful for this grant; thank you again for your generosity.

Best Regards,

Cecile McManus
Director
