Dear Elmer G. Biddick Charitable Foundation:

Please consider our request for \$250.00 to be used to purchase children's books as gifts for our youngest patrons throughout the year. Our limited budget does not allow us to purchase books beyond what is required for the circulation of our collection.

The Montfort Public Library has served from within the Community Building since 1937. We continually strive to meet the changing needs of the community. We maintain a small Montfort History Section within the library, and continue to add to these important archives.

Sincerely,

Michelle Hofer

Director, Montfort Public Library
