

April 28, 2022

The Village of Cobb Parks and Recreation Committee is excited to inform you and the entire Biddick Foundation that we will be breaking ground for the Splash Pad in mid-May! We could not have reached our goal without the support from the Biddick Foundation. We have currently raised \$200,000.00 with our fundraisers and donations from businesses, families and individuals. This will cover the cost to install the Splash Pad with 2 of 12 above ground spray features. Those features include the **Aqua Dome-funded by the Biddick Foundation** and a Seaweed Spray-funded in memory of Mike Graber by his family and the Red Bandana Ride. The committee is committed to fundraising for the rest of the spray features and also to provide funds for continued maintenance costs. We will keep you posted on the status of the project as the build begins. We have a completion date set for July 1, 2022.

If you could please forward this on to the Foundation members and as always if there are any questions please do not hesitate to ask!

Thank you,

Mary Foley  
Peg McNeill Pustina
