EXTERNAL

Good afternoon,

My name is Kristen May and I have served as the Community relations and sponsorships coordinator for the past five years for the Iowa County Fair. Thank you for the opportunity to apply for the Elmer Biddick Foundation Grant. It is an exciting opportunity for the fair and I feel that it aligns with the values of the Elmer Biddick Foundation. As you will read in my grant we are in need of new shelving units for all of the great exhibits we host at our fair.

If I can answer any further questions or explain any details of our request please reach out to me. I am happy to provide any additional information that you may need. I have also attached our IRS form and a photo of the shelving we are interested in purchasing. Thank you for offering these opportunities to our rural communities and allowing us to be considered.

Best regards,

Kristen May

We are requesting a grant of \$1,000.00 to help purchase new shelving units for our fair exhibits. The shelving currently in use has served the Iowa County Fair faithfully for many years, but it has now worn out and is no longer safe or functional for our growing needs.

The Iowa County Fair proudly hosts over 25,000 visitors annually, and we continue to see growth in our 4-H organizations and exhibit numbers, even as many fairs across the state are experiencing a decline. This growth is a testament to the strength and enthusiasm of our youth programs and the community's support—and it's something we are very proud of.

The requested funds will help us kick off this much-needed project. If additional funding is required beyond the \$1,000, we are prepared to cover the remaining costs to ensure its completion. The shelving will be used to safely and attractively display a wide range of exhibits—everything from arts and crafts to baked goods and agricultural entries—enhancing the experience for both exhibitors and attendees.

We are especially motivated to have these new units in place for the 2026 Iowa County Fair, which will mark an incredible milestone: our 170th anniversary. This celebration is expected to draw even greater attendance and community participation, and we want to ensure our exhibit spaces reflect the pride and history of this long-standing tradition.

Thank you for your time, consideration, and for your support of the Iowa County Fair and the vibrant community it represents.

Applications are considered in June and December of each year. The corresponding deadlines are April 15th and October 15th. Concise grants that address the needed information are appreciated.
